# **BELINDA JANE MORRIS**

Using colourful layers of watercolour along with gouache, pencil and digital touches, Belinda paints in a style that harkens back to the Golden Age of Illustrators. Her main body of work includes portraits of famous people through history, scenes of Ancient cultures and characters from fantasy.

Belinda has trained in various fields of art including Painting, Printmaking, Graphic Design and Comics and has a BA in Fine Art from Curtin University of Technology in Western Australia.

Her love of art took her from Western Australia to the US to study at the Joe Kubert School of Cartoon and Graphic Art and to attend Illuxcon, where she met many amazing artists who continue to inspire her today.

Published by ImagineFX, Infected by Art Volume 5 & 9, ArtOrder LLC, Changelings Artist Collective, Blue Angel Publishing, Tiny Owl Workshop and Lackington's Magazine.

Now based in Melbourne, Australia, Belinda is currently painting a 45 oracle card deck called; The Powerful Women Oracle, written by Angela Hartfield and to be published by Blue Angel Publishing in 2022.
